S.MADHAN KUMAR - 611819205011

The screenshot shows the IBM Cloud dashboard for user MADHAN KUMAR. The interface includes a top navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The main content area is titled "Dashboard" and features a "For you" section with six cards: "Build", "Use Watson Studio", "Build a Virtual Private Cloud (VPC)", "Set up your IBM Cloud account", "Create an OpenShift cluster", and "IBM Watson Internet of Things Platform". Each card provides a brief description and a "Getting started" or "Recommended" button. Below this section, there are four more cards: "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The bottom of the dashboard shows a weather widget (24°C, Partly sunny) and a system tray with various icons and the date/time (06-11-2022, 07:54).

V.TAMILARASAN - 611819205032

The screenshot shows the IBM Cloud dashboard for user TAMILARASAN V's. The interface is identical to the one above, with the same top navigation bar and "For you" section. The "Build" card is highlighted with a blue background. The "Recent support cases" card shows a list of cases. The "Planned maintenance" card shows a list of maintenance events. The "IBM Cloud status" card shows a world map with a blue square indicating the user's location. The bottom of the dashboard shows a weather widget (24°C, Partly sunny) and a system tray with various icons and the date/time (06-11-2022, 07:53).
